

The 16th annual Newcomers Festival is an exciting event for the international community in Frankfurt-Rhein-Main. The event will be held directly in Frankfurt's City Hall (Römer) on Sunday 11 September 2016 from 1-6 pm.

Last year's festival attracted 60 exhibitors and 5,000 visitors from many different nationalities. For the 2016 event the organizers are expecting a similar success.

The Newcomers Festival is designed to be a family-oriented and informative event that helps the international community get off to a good start in their two- to three-year stay in Frankfurt and the Rhein-Main region.

The Newcomers Festival consists of an extensive exhibition of services, clubs, and organizations in the area. Parallel to the exhibition, seminars and workshops present practical information about living and working in the region. In addition, there is musical entertainment, as well as food and drink reflecting the local gastronomy. Admission to the event is free.
